

THE COMMUNITY FOUNDATION FOR CARVER COUNTY

The Founders' Society

The Founders' Society was created to recognize the early contributors to The Community Foundation for Carver County. A number of individuals and businesses have invested in our future sustainability, ultimately benefiting our local community, by providing operational support during our formative years. Building a community foundation is a long-term venture, won't you please join us by pledging or making a gift today. Multiyear commitments strongly encouraged.

Founders' Society Members:

Diamond Founders - Gifts of \$100,000 or more
Paul and Sheila Steiner

Platinum Founders - Gifts of \$50,000 or more
Ridgeview Medical Center

Gold Founders - Gifts of \$25,000 or more
